Dear Ben

Please accept my congratulations on winning the first prize in C-SPAN's national 2023 StudentCam competition. Seeing that there is a very significant award for this, I am sure that you are very proud of all the work that you put into this effort.

You chose a significant topic for your documentary, one that touched all of us. This is indeed worthy of an elected member of our Congress. It seems that you have a keen interest in Government. I applaud that, and encourage you to keep abreast of current affairs, and be curious about how local, national, and global issues affect our everyday lives.

You have represented your school and our community in such an admirable manner. As a public servant for over three decades, I will put a plug for a career in public service. You would enjoy it, and I am sure would excel in it as well. I wish you the best in the rest of your journey at school and beyond.

Respectfully,

*F.M. Ahmed*
