Dear Blaine & Annabelle,

Congratulations on your 2<sup>nd</sup> place win for the C-SPAN annual student documentary competition! You both did a great job; you were able to showcase many of the problems invasive species can cause and you had great interviews with a variety of organizations tackling this issue. Thank you for bringing attention to invasive species!

Sincerely,

A handwritten signature in black ink, appearing to read "A Buyer", is located below the word "Sincerely,".
