Dear Johnny:

Congratulations on your success in the 2023 CSPAN StudentCam Competition. This annual video documentary competition is meant to help you think critically about issues that are facing our country and our communities.

Your documentary "Opportunity" brings attention to the importance of continued development in career and technical education (CTE). Your submission was insightful and highlighted the needs for access to hands-on CTE programming for high school students. This is a field that can provide life-changing, profitable, and fulfilling careers for young men and women across our nation.

Thank you for your passion and dedication! Congratulations and best of luck in all your future endeavors.

In God we trust,
