Dear Sesh,

I am pleased to extend my warmest congratulations to you upon your selection as the second prize winner in the 2023 C-SPAN StudentCam Competition for your documentary, "E Pluribus Unum: Who Gets Represented in America?"

This achievement serves as a testament to your hard work and talent as a filmmaker. In order for our Nation to be at its best and for our democracy to continue to prosper, it is vital that all Americans lend their voices to our national conversation. You have done this through the creation of your documentary by sharing your perspective on the federal recognition of religious holidays. I hope that you will remain an active participant in our democracy in the years to come.

On this important occasion, I am very pleased to join with your family and friends in saluting your accomplishments and wishing you success in all of your future endeavors.

Sincerely,

A handwritten signature in blue ink that reads "Mark R. Warner".
