Dear Ella,

I am writing to congratulate you on your winning documentary, *Infected: Logical Fallacies in Political Discourse*, in CSPAN's annual StudentCam competition. You should be extremely proud of your accomplishment.

This achievement is a testament to your exemplary leadership and drive, as well as an acknowledgement of your ability to think critically about issues that affect our communities and nation. I would like to commend you for your passion and dedication to enriching the lives of those around you. The residents of central Florida will benefit from your example as a leader in the community.

Once again, congratulations on winning this competition. I look forward to continuing to hear about the strides you make in bettering our community. If there is anything that I, or my staff, can do to be of assistance, do not hesitate to contact me.

At your service,

Stephanie Murphy
Member of Congress
